Dear Richard

## Re. your donation of £400

I am writing on behalf of the sailing members and trustees to say a big THANK YOU for the generous donation given to us as a result of your Lakes Charity Classic event in July. We are all very grateful for this much-needed contribution. It will be spent very soon and certainly help to keep us afloat! Very soon we are going to buy a set of new sailing jackets for next season, 3 new boat covers and a new spar for one of our Whammel boats so your donation has come at a good time.

I sail with the Vital Group and we are having a very good season. We went camping in July with Mel to St Anne's School boat house for Saturday until Sunday. The weather was very good for us on both days but poured with rain before we started and again as soon as we had finished! The sailing was fantastic on both days and we took all three Whammel boats out on the water. We had some rain in the night but it did not matter because the tents did not leak and I like listening to the rain on the tent. And when we got up in the morning Mel had breakfast ready for us. Then we got all the boats ready and we sailed back to Blackwell. If you like camping maybe you would like to come along with us next time?

Please pass on our thanks to the committee of the Soaring Club.

Yours sincerely,

Joyce Manning

Dear Mr Jennings

Thank you for choosing to support the Great North Air Ambulance Service with monies raised from the annual charity Paragliding Competition.

Last year, we flew 869 missions across our region. We were there when those people needed us most. To enable us to continue to provide this service, we must raise £4.5m every year. We can only achieve this with the generous support of people like you.

Your donation of £500.00 will help toward the continued funding of life-saving services.

Best wishes
